

What is Foundation 59?

Foundation 59 is a 501(c)(3) faith based nonprofit organization in Northeast Ohio that specifically targets competitive junior golfers and seeks to maximize each athlete's spiritual and physical abilities through one-on-one spiritual coaching and through removing the financial barriers that may exist between them and becoming the best athlete they can be.

Our desire is to bring the love of Jesus Christ to competitive junior golfers, and to assist them financially as they pursue a collegiate and/or professional career in golf. Our focus is on teenage athletes who are currently playing competitive golf.

Why should I join?

Most junior golfers join Foundation 59 for financial assistance, to have the free access to a home course for practice, and to play competitive tournament golf, where they will find outstanding competition and be seen by college golf coaches, in hopes of securing a college golf scholarship.

Another huge benefit to becoming a Foundation 59 Member is that each player is paired with a Spiritual Coach to encourage them with God's love. This Spiritual Coach oversees the overall spiritual and personal development of our athletes in a one-on-one environment.

How do I join?

Joining Foundation 59 can be done online at foundation59.org. After submitting your membership application to Foundation 59 you will be notified within 2-3 days that your application has been received. Once approved, you will be notified through email and mail, and someone from Foundation 59 will contact you to describe the next steps of membership.

Prior to acceptance into Foundation 59, you will need to submit acceptable proof-of-age documentation to Foundation 59. A copy of either a birth certificate, passport or driver's license is acceptable documentation. This document can be mailed or emailed to Foundation 59. Please go to foundation59.org/player-s-center for more information.

Who is eligible to be a Foundation 59 member?

Junior players must be at least 12 years of age to participate in Foundation 59 and considered competitive as defined by Foundation 59.
